Mark and company, it will be very helpful to us if you would please list the items you would like to discuss and what additional questions you have about the site. By doing this, we can make sure that we have the necessary information and any visuals we need to help us explain the site and any activities completed and planned.

One topic I anticipate discussing is the Source Control Action that address the lead additive area and identified tank waste areas.

thanks

Todd,

Thank you for your time on the phone yesterday and for your email reminder (with directions to DEQ). We are looking forward to our meeting together in a couple weeks. We sure appreciate you and the entire team working on the Wilcox Superfund Site. We are thankful for all the support.

Have a blessed week!

Mark Evans

Hello everyone.

I am looking forward to our meeting on 9/25/2018 to discuss the Wilcox Oil Company Superfund Site.

I have reserved the 6th floor main conference room (green room) from 1:00pm to 3:00pm.

DEQ is located at 707 N. Robinson Ave. Oklahoma City, Ok. 73101.

Please use the DEQ visitor parking lot across the street (east) of the main entrance.

Once in the building, please check in with the security officer. They will be anticipating your arrival.

If you have any questions or concerns, feel free to call or email me.

See everyone on the 25th!

Thank you.
